SECRETARY OF THE YEAR—Faye Wells, left, was honored by the Murray Chapter of the National Secretaries Association as "Secretary of the Year." Presenting the award to Mrs. Wells, who is secretary in the Department of Information and Public Services at MSU, is Bettye Baker, last year's recipient of the award.

Faye Wells and Bill Boyd Named Secretary and Boss Of The Year

By BECKY ARMSTRONG

Faye Wells, CPS, was named "1976 Secretary of the Year" and William A. Boyd was named "1976 Boss of the Year" at the Executive Night Banquet held by the Murray Chapter of the National Secretaries Association (International) on Thursday evening in the ballroom of the Waterfield Student Union Building on the Murray State University campus.

Mrs. Wells is secretary to M. C. Garrott, director of information and public services and 1975 Boss of the Year. Joe Tom Erwin, sports information director, and Gil Gilbert, radio-television publicist, all at Murray State University.

A charter member of the Murray Chapter, she will be installed as president at the meeting in May.

Mrs. Wells, who has been a secretary for 19 years, worked for one year in the president's office at Murray State, three years for the university ombudsman and student union director at Murray State, and for 11½ years was office manager and secretary to the

superintendent of the Murray Natural Gas System.

A Certified Professional Secretary, the first in Murray and Calloway County, she has served on NSA committees as either chairman or member at both the state and local levels.

Mrs. Wells is a member of the Seventh and Poplar Church of Christ and teaches third grade.

She and her husband, Martin, who is a captain on the Murray police force, have one son, Steve, 9.

Boyd, president of Peoples Bank of Murray, serves on the Advisory Board of Computer Services, Inc., is a board member of the West Kentucky Chapter of the Bank Administration Institute, and established a bank in another community while carrying on his duties in the local bank.

He is known as one of the most outstanding bank executives in the South, and is well-known as a speaker. Boyd is a member of the Murray Chamber of Commerce, Kiwanis Club chairman of the board of the Murray Electric System, treasurer of Friends of the

Library, board member of the Regional Blood Bank, and serves on the finance committee of the Boy Scouts of America.

Boyd earned the B. S. degree from the University of Kentucky and the M. S. degree from the Graduate School of Banking, Madison, Wisc., and has done graduate work at Murray State.

He also serves as chairman of the advisory committee for the Murray Vocational School.

He is an active member and deacon of the University Church of Christ, treasurer, Sunday School teacher, and co-chairman of the physical expansion program.

He and his wife Jane are the parents of four children, Mike, Alan, Martin, and Mrs. Melanie Newton, and they have twin granddaughters.

The Secretary of the Year award was presented by Bettye Baker, chapter president and 1975 SOTY, and the Boss of the Year award was presented by Doris Rowland, one of the five finalists for 1976 SOTY, who also is secretary to

Boyd.

Other SOTY finalists were Linda Farley, Anna Ruth Harris, and Annie Nance.

George Atkins, State Auditor of Public Accounts for Kentucky, was the featured guest speaker.

Mrs. Baker gave the welcome, and Dr. Joe Prince, Dean of the College of Creative Expression at Murray State, gave the response.

Entertainment was provided by Marie Taylor and Henry Bannon, members of the music faculty at Murray State.

Approximately 70 bosses, secretaries, and guests attended the banquet.

6-5 Vote Decides Fate Of Proposal

An ordinance revising the fee schedule on which privilege licenses for businesses operated in the City of Murray are based was defeated by a 6-5 vote of the Murray Common Council at its regular meeting last night.

The turndown of the privilege license ordinance by the council means that the privilege license fees charged this year will be based on the ordinance adopted by the council in 1970, an ordinance which has been called "iniquitable" and in some instances "unenforceable" by some council members.

Councilmen Ed Chrisman and Melvin Henley, who were both members of a committee appointed by Mayor John E. Scott that also included several Murray businessmen, expressed differing views on the proposed ordinance at last night's meeting.

"The classifications as revised here certainly correct a great many inequities (in the current law)," Chrisman said.

But Henley retorted, "I think this one (the proposed ordinance) is more inequitable than the original."

Councilmen voting against the adoption of the new ordinance were Loyd Arnold, Melvin Henley, Art Lee, Woodrow Rickman, Ruby Hale and Dave Willis. Voting in favor of the proposal were councilmen Ed Chrisman, W. R. Furches, Howard Koenen, Tom Rushing and C. C. Lowry. Councilman Buel Stalls was absent from the meeting.

Two council members, Art Lee and Loyd Arnold, expressed their feeling that they did not feel the proposed ordinance should have been worked on outside the council, referring to the Mayor's appointment of the businessmen to the committee.

To that, Scott said, "I thought we needed a fair representation from the people who were going to be paying for this thing."

In other business, the council:

—Approved an appropriation of \$3892 that will allow the local Senior Citizens organization to buy two mini-buses to use in their transportation programs. The local organization has received approval of a grant of \$11,168 which requires 20 per cent in matching funds locally.

—Approved a resolution enabling the city to receive state municipal aid (gas tax) funds for use on street repair. In conjunction, the council approved the advertising of bids on the street paving program.

—Accepted the resignation of Deputy City Clerk Mayre R. Palmer, who has accepted another position and approved the hiring of a temporary assistant city clerk.

—Awarded Minter Roofing Co. of Benton a contract for the reroofing of City Hall at a cost of \$3,795.

—Appointed City Clerk Jo Crass as revenue sharing fund trustee, a position which had been held by Miss Palmer.

—Employed Terrell Edward Tidwell, Rt. 7, Mayfield as a beginning fireman.

—Employed Jack C. Duvall and Clarence Samuel Castille as temporary radio dispatchers in the Police Department.

City School Dropout Rate Much Lower Than Average In Kentucky

Willie Jackson, director of pupil personnel for the Murray City Schools, reported that the dropout rate for the 1975-76 school year for grades seven through twelve was only 1.27 compared to the state rate of 5.13 for this grade range at the meeting of the Murray City School Board Thursday evening.

Jackson said he felt that this low dropout rate was due to the breadth of the program by the school, the student-staff ratio, and the strength of the teaching staff.

The director said no accidents had been reported in the transporting of 526 students each day by the five buses. Jackson also reported on the computerized personnel reporting.

Supt. Fred Schultz read a memo received between Murray State

University and the Murray Board regarding the areas of cooperation and responsibilities between the University and the board for the training of prospective teachers. This was approved by the board.

The budget committee approved the proposed salary schedule for the certified staff for the 1976-77 school year which was also approved by the board. This provides for \$1,073 per year for each step in the schedule which will require approximately \$152,000 of additional revenue to implement the program.

Supt. Schultz and the Board approved personnel now holding continuing contracts by reemployed for the 1976-77 year as follows:

Eli Alexander, assistant superin-

tendent, Billie Amos, Joel Atchison, Idelle Bailey, Charlotte Barker, Judith Baucum, Helen Bennett, Mary Beshear, Faye Beyer, Dan Blankenship, Joan Bowker, Mary Brady, Anna Elizabeth Broach, Margaret Brown, Geneva Brownfield, Nellie Ruth Caldwell, Mary Ann Carter, Pamela Cartwright, Sally Crass, Linda Emerson, Willie G. Farless, Myra Jo Farley, Jane Fitch, parttime, Margaret Franklin, supervisor, Jean Geurin, Susan Hargrove, Lloyd Hasty, John Hina, assistant principal, Lula Bell Hodges, Lee Hook, Opal Howard, Ruth Howard, Clara Humphrey.

Ed Thurmond Named Delegate To GOP National Convention

FRANKFORT, Ky. (AP)—Kentucky Republicans will select 15 more delegates today to the party's national convention this summer. Three delegates were elected Thursday in the first of seven congressional district elections.

Republicans in the 2nd, 4th, 5th, 6th and 7th districts will each select three delegates to the national convention. The 3rd district, which includes Jefferson County, will hold its election Saturday morning.

In addition to the 21 delegates chosen in district meetings, 16 at large delegates will be elected at the state

GOP convention later Saturday at Frankfort. More than 1,000 party members are expected for the state meeting.

The three first district delegates chosen Thursday at Princeton were Mrs. Sam Guggenheim, Marion; Ed Thurmond, Murray and Rich Evans, Livermore.

All three delegates were said to favor Ronald Reagan for the Republican presidential nomination, according to a top state GOP official who asked not to be named.

But two of the delegates, Mrs.

Guggenheim and Thurmond, indicated Thursday night they are uncommitted at this time.

Of the three alternate delegates selected Thursday in the first district, two were also said to favor Reagan rather than President Ford for the nomination.

A GOP official said Lawrence Morrill, Mayfield; Dr. William West, Madisonville and Harold Streets of Greenville were elected alternates.

Streets is considered the only Ford supporter among those selected for the first district, the official said.

Whoever the delegates favor for the nomination will have no bearing, however, on the first ballot at the national convention this summer.

On the first ballot, the delegates are bound by state law to vote proportionately according to the outcome of Kentucky's May 25 presidential primary.

Their candidate "leanings" will not come into play unless the nomination is not won on the first ballot by either Ford or Reagan.

Should the nomination battle go beyond the first ballot, the delegates will then be free to vote according to

their own preference.

In addition to the election of delegates and their alternates Thursday, first district Republicans named George Bleidt of Cadiz as representative in the national electoral college.

Named to two-year terms as district officers on the GOP state central committee were Herb Hays of Hopkinsville, district chairman; Mrs. Donna Cobb of Providence, vice chairman and Gordon Guess of Marion, finance chairman.

Representatives of both President Ford and Ronald Reagan will address

the Republicans at the state convention.

Rogers C.B. Morton, Ford's campaign chief, will speak on behalf of the President, while Tom Malatesta, Reagan's campaign operations director, will talk for the former California governor.

Also on the list of business at the state convention will be the selection of a new GOP state central committee. A new chairman will be selected within 10 days after that.

State Sen. Clyde Middleton, R-Covington, now holds the post.

Dear Abby

Don't Leave Wife Alone—with Buddy

By Abigail Van Buren

© 1976 by Chicago Tribune-N.Y. News Synd. Inc.

DEAR ABBY: Buddy, a guy I work with, likes to fish and so do I, so last weekend he and I went on a fishing trip. When we came home and Buddy met my wife for the first time, he looked her up and down, and then he turned to me and said, "Hey, man, you must be nuts to leave a beautiful gal like that alone for the weekend."

Do you think I was?

LIKES TO FISH

DEAR ABBY: I don't know about THAT weekend, but the next time you go fishing, be sure to take Buddy with you.

DEAR ABBY: A year ago I married a widow. I owned a home, but it was too large for two people, so I sold it and moved into hers. She had a mortgage on it, which I paid off, then I bought her home from her and put it in both our names.

The problem is her son. He has been in a lot of trouble with the law. (Burglaries.) Right now he's on probation.

He has always carried a key to his mother's house, which means he can come and go as he pleases, whether we're home or not.

I have missed a pair of expensive binoculars, a portable TV and a very good camera. I believe this young man took them and sold them. His mother thinks so, too, and she has asked him for the key. He gives her one excuse after another and still has the key.

How can we get the key back without making an ugly scene?

CHICAGOAN

DEAR CHICAGOAN: Forget the key. Change the locks.

DEAR ABBY: I'm a mature, 15-year-old girl, and I can't wait until my next birthday so I can quit school and leave home.

My mother is always on my back about something. Nothing I do ever pleases her. She has never trusted me, even when I had nothing to hide. She makes me feel so low and cheap. I can't wait to get away from this house and HER.

There is this dude I really dig. He's 22 and being divorced. I'm not supposed to be seeing him, but I see him anyway. He says when I turn 16 I'll be able to do what I please, then he'll take me on the road with him. He's a trucker and makes good money.

It wouldn't be a shacking up deal, Abby. He wants to MARRY me as soon as his divorce comes through. He's got two kids, but his wife keeps them, and she doesn't hassle him because he's always been on time with the support checks.

I love this dude, and the only thing I can say against him is that he gets awfully mean when he drinks. But he's not an alcoholic, and he never drinks on the job.

Help me decide what to do. Anything would be better than living here.

WANTS TO RUN

DEAR WANTS: Of all the reasons to marry, yours is the poorest. Please get some counseling, dear. Your school has a service for troubled students. And a talk with a clergyman would help. But the word from here is to stay home and get your head together.

Hate to write letters? Send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212, for Abby's booklet, "How to Write Letters for All Occasions." Please enclose a long, self-addressed, stamped (26¢) envelope.

The Meaning Of The Cross

By Dr. David C. Ross

During Holy Week many people in our community were asking questions about the meaning of the cross to the Christian Faith. Twenty centuries of painstaking study and Christian experience have not been able to fathom the depth of the Cross. From the study of Holy Scripture the saints of the church have developed at least five views of what Jesus did on the Cross. There is great truth to be found in each of them.

First, there is the Ransom View—Jesus gave "His life a ransom for many." Jesus paid it all. The debt was settled. We were set free from slavery to sin. Never mind to whom the ransom was paid! The Real Question is: Are we free men? The penitent thief only asked to be "remembered" but Jesus gave him more. Christ's living presence brings us the only real freedom this earth knows. "Today shalt thou be with me in paradise." To be set free is to be "ransomed" indeed!

Second, there is the Governmental View—Nothing so interferes with government and in fact the whole spectrum of life as the presence of evil in both our personal and social relationships. No other person in history has handled the power of evil quite like Jesus. It is his greatest gift to humanity. He stands first not only because of his perfection but he handled the presence of evil in every persons life. Take the Cross away from Jesus and this gift of power to handle sin is weakened if not actually negated. The Cross is his scepter, he rules from a cross. The Cross decreases the total of

evil in the world and makes human government more feasible.

Third, there is the Moral Influence View—The Cross reminds us continually "what love will do for what it believes and for whom it loves." Consider the moral influence of His example—A Christ who set the example of suffering love as the Christian approach to dealing with human issues inspiring persons to suffer for what they believe!

Fourth, there is the Substitutionary View—On the Day of the Cross they cried, "If thou be the king of the Jews, save thyself." But Jesus couldn't save Himself and you and me. Take for example Barabbas. He was condemned to die for his crimes, but the people chose Jesus for the Cross in his place. Surely Barabbas was there near the Cross, repeating over and over again to himself, "He died for me... He took my place." Jesus set Barabbas free by being his substitute. Jesus sets us free by taking our place.

Fifth, there is the Reconciliation View—"God was in Christ, reconciling the world unto himself." Men are prodigals. They have wandered far from the Father's purpose. Sin has separated them from the Father's fellowship. Jesus proclaimed "And I, if I be lifted up from the earth will draw all men unto me." The magnetic pull of the Cross draws men back to fellowship with their heavenly Father. Jesus draws men through the Cross and so reconciles man with God. Man was the prodigal. The Cross drew him back to his Father's heart.

Certain state laws, the absence of much-needed state laws and an enormous lack of support from the judicial system have greatly hampered nursing home reforms in many states.

A nursing home inspector employed by the state health department in a midwestern state recently explained how a ridiculous amount of red tape and proper procedure can allow a nursing home to continue operations even though it is unsafe, unsanitary or just plain deplorable. According to the official, a registered nurse, a nursing home can break a specific regulation for as long as four months without being shut down.

For example, say that a particular nursing home has an unsanitary condition in the kitchen. The inspector verbally reports it to the state health department. Upon receipt of this report, the state health department sends a warning to the administrator or owner of the home telling them they have 30 days to correct the problem.

If, after 30 days the condition has not been corrected, then the inspector will submit a written report. The report is examined by the legal department, and the nursing home is then notified there will be a hearing scheduled within a 30- to 60-day period. Then, even if the evidence shows the nursing home is guilty of the charges, the nursing home is given another 30 days to correct the situation!

An unhealthy, unsanitary, disease-breeding condition is discovered in a nursing home - a condition that could have existed for who knows how long. After it is discovered, it may take up to 120 days to correct, during which time the nursing home is still allowed to operate.

If the condition had been faulty wiring, the nursing home would have up to 120 days to burn to the ground. If the condition had been patient neglect, there would be 120 more days for bed sores to grow larger or for elderly people to be strapped several hours a day in a chair, sitting in their own bodily waste.

The second offender, the nursing home that went the entire course before, would be scheduled for another hearing within a 30- to 60-day period. This time there is not a 30-day warning, but still 90 more days for an unsanitary condition to exist.

If state health inspectors had the authority to go to the local courts and have a nursing home owner im-

mediately fined for disregard of regulations, if the red tape could be eliminated and the 120-day minimum could be cut down to 10 or even 5 days in some cases (How long does it take to thoroughly sanitize a kitchen and fumigate it?), the health department officials could do a much better job of protecting patients in a nursing home.

If you are interested, you may obtain a copy of state laws and regulations governing nursing homes in your state by contacting your state health department. If the laws seem unsatisfactory, contact your state representative and let him know.

Remember, there may be the day that you or one of your loved ones needs to be admitted to a nursing home. Today In History

By The Associated Press

Today is Friday, April 23, the 114th day of 1976. There are 252 days left in the year.

Today's highlight in history:

On this date in 1564, William Shakespeare was born at Stratford-on-Avon in England. He died on the same date in 1616.

On this date:

In 1789, President-elect and Mrs. George Washington moved into the first presidential mansion at the corner of Franklin and Cherry streets in New York City.

In 1792, the French national anthem, "La Marseillaise," was written.

In 1838, the first regular trans-Atlantic steamship service began as the "Sirius" and "Great Western" arrived in New York from England.

In 1940, more than 200 people died in a dance hall fire at Natchez, Miss.

In 1941, during World War II, King George II of Greece fled to the island of Crete after German troops had broken through the Thermopylae Pass.

In 1945, American and Russian forces met at Torgau in East Germany.

Ten years ago: U.S. Air Force jets shot down two Soviet-built MIGs in a five-minute aerial battle 65 miles north of Hanoi in North Vietnam.

Five years ago: Federal troops were alerted for possible duty in Washington, D.C., as thousands of anti-Vietnam War demonstrators converged on the capital.

One year ago: The South Vietnamese Cabinet resigned as panic gripped Saigon, and President Ford declared that the Vietnam War was over.

Today's birthdays: Ambassador Shirley Temple Black is 48. General Lucius Clay is 79. Writer Vladimir Nabokov is 77.

Thought for today: We have but one police force—the American woman.—President Herbert Hoover, 1874-1964.

Bicentennial footnote: Two hundred years ago today, the Continental Congress accepted the resignation of General Artemus Ward. The Revolutionary War commander had been second in command to General George Washington.

Isn't It The Truth

When you voters dine out we may pay up to \$10 for a meal that costs the restaurant \$6 or less to lay on the table. When a congressman or government employee of medium rank or more wipes the gravy from his chin in one of those subsidized government dining rooms, he forks up as little as \$1.50 for an ample sufficiency that costs the taxpayers as much as \$15. Another reason why we have a national bellyache.

A Christian Family
Life-Style
Colossians 3:1-14, 18-20

After reminding the Colossian Christians of their new position in Christ, Paul stressed the kind of life that they were obligated to live, and urged them to seek those things which were really worthwhile and satisfying, namely, those qualities which were exemplified in the life of Christ. Christ wants His followers to lift their eyes above the sordid things of earth, and to set their affections on Him, centering their thoughts and energies on doing the Lord's will, because they are dead unto sin but alive into God, their lives are hid with Christ in God, and their hope is of future blessedness.

Even though the Christian possesses heavenly citizenship, sin will continue to be a problem as long as he inhabits a body of flesh. The flesh frequently indulges in practices which call forth the displeasure of the holy God. Wrong attitudes, bad dispositions, and evil practices are the enemies of Christian peace, power, and progress. Therefore, Paul exhorted the Colossians to begin and to continue a war on sin within their lives and in the world about them because evil is such a great obstacle to setting the affections on things that are above.

In modern speech mortification means embarrassment, but in the Scriptures "mortify" means to put to death. A number of things are enumerated which must be subject to such drastic and painful treatment, and none of them should have a place in the life of the Christian. Among these works of the "old man" are the sins which grow out of physical lusts—impurity of thought, word, and deed, and the sins which are the result of egotism—resentment, temper, malice, and foul and abusive language. Since God will not overlook these evil inclinations and practices, Christians must banish them from their lives. Just as a garment would be removed, the Christian must eliminate the wrong manner of life.

Paul exhorted Christians to put on various virtues—compassion, kindness, humility, meekness, long suffering, forbearance, and forgiveness. Beneath all superficial distinctions believers have the same basic needs and yearnings. Being in Christ, believers hold the same blessed position, whether Jew or Gentile, bondman or freeman. They are redeemed by the blood of Christ, saved on grace through faith in Him, indwelt by the Holy Spirit, and kept by the power of God, Christ, the one and only Saviour, is adequate for every need of every person.

It is noteworthy that so much prominence is given to forbearance and forgiveness. Ever remember that it is God's grace which enables a Christian to forbear with those who disagree with him and to forgive those who have done him an injury. The outer garment, which is to cover all of these beautiful and precious virtues and hold them together, is love, "the bond of perfectness."

"Before the new garments in the Christian's wardrobe are to be worn, there are some old ones that must be removed. A Christian attempting to wear the new garments over the old ones is lamentable, unsatisfactory, and unwise. These virtues, which Paul enumerated; are to be displayed as one displays the garments which he wears. The enthronement of Christ as Lord of the life will enable a Christian to perform his duties acceptably and effectively.

Christ's legacy of peace is the most

precious of gifts, an inheritance which the world can neither give nor take away. Spiritual peace is based on a conscious fellowship with God, and the realization that whatever life may bring it is for the best interests of those who trust in the Lord.

Paul admonishes the cultivation of a thankful spirit. Such a spirit pleases the Lord, enriches the lives of those who observe it, and greatly benefits those who possess it. Thanksgiving is a duty of every Christian. For mercies received from God and for blessings enjoyed, let us thank Him with the praises of our lips and the obedience of our lives.

Christian wives and husbands are exhorted to accept their responsibilities in their homes. Wives are to be in subjection to their own husbands, in the Lord, and husbands are to love their own wives, and give themselves in self-sacrificing love for their well-being. Real love eliminates domination and bitterness. Children are to obey their parents promptly and cheerfully, thereby pleasing the Lord, honoring their parents, and bringing credit upon themselves. In exercising control over their children, as God has commanded them to do, fathers and mothers do not make irrational demands of them, or administer chastisement to them in anger.

Bible Thought

Simon Peter saith unto them, I go a fishing. They say unto him, we also go with thee. John 21:3.

When things don't go your way at your job, house, or church, do you cut out and "go fishing" and take others with you?

Let's Stay Well

Longevity Is No Accident

By F. J. L. Blasingame, M.D.

While the length of life is highly variable, an increasing number of people live healthy, useful lives well beyond the biblical "three score and ten." What is their secret? How do they manage to do so?

Most authorities agree that heredity contributes significantly to the chances of a long life. In other words, having ancestors who lived longer than average lives increase your chances of being blessed by added years beyond your peers who have ancestors who died prematurely.

According to Robert Samp, M.D., a member of the faculty of the University of Wisconsin's Medical School, "There is a definite personality type among people blessed with long life. His conclusions are based on a study of 2,000 Americans who lived longer than average."

Dr. Samp believes that long

life is no accident but the result of patterns of living which permit these persons to become "successfully old." His list of traits includes "moderation, serenity, and an interest in the future."

Here is a list of characteristics for a long life, according to a summary of the study on longevity which appears in The Family Economist (March 1976):

- Eat and drink sparingly but with enjoyment.

- Adapt to life's challenges.

- Avoid prolonged stress.

- Develop diverse outside interests.

- Keep working at either paid employment or volunteer activities. Such work helps to provide "a social identity, a sense of continuity with the past, and an important sense of social future."

Dr. Samp identifies some things which "look to be instru-

mental" in continuing life.

- "Sleep is essential for survival, and the older you get the more you will need."

- "Seek reasons to be happy instead of courting the eternal damnations that beset you."

- "Smoke within reason, keep drinking to social occasions and use it as a relaxant rather than a crutch."

- "Don't fight your enemies, outlive them."

- "Be smart enough to get out of the rain and keep active."

Q Mrs. G.V. wants advice about drinking water while dieting to lose weight.

A Keep in mind that, after you have attained your desired weight, you should stay on a complete, balanced diet that maintains your weight at a normal level. Such is much better than episodic dieting, followed

by periods of overeating. Water contains no calories. Drink it freely while dieting. Water will assist elimination of waste products by the kidneys and bowel and will give a full, satisfied feeling. Often a drink of water will chase away a desire for food.

Q Mrs. M.P. wants to know the approximate dose of syrup of ipecac to give a 5-year-old child to cause vomiting if it is suspected that he has taken a poison.

A A tablespoon of syrup of ipecac is usually adequate to bring on vomiting in a child in a few minutes. This medication can be purchased in small amounts from your druggist without a prescription. It is preferable to contact your physician, if he is available, before giving any medication.

WHO IS YOUR Master?

This is an important question. Christ says in Luke 16:13—"No servant can serve two masters: for either he will hate the one and love the other or else he will hold to the one and despise the other. Ye cannot serve God and Mammon." (Mammon can be translated as the power of money).

In this passage we can see clearly that as Christians we must make a choice between masters. We are asked to choose which is more important for us to follow—God or Mammon. Christ tells us exactly why this is true for he sees that in choosing a master we are also choosing a set of principles that he will follow. If we choose God's principles, we will hold to his teachings and reject the false values of materialism. We then learn to use material prosperity as an opportunity for good and to keep it in its rightful place.

If we seek wealth as our master, we soon begin to subvert all higher values to that end. So as Christ taught, it is important to consider—who is your master?

Pistons And Cavaliers Win Playoff Contests

By The Associated Press
Everything went right for Curtis Rowe—and everything went wrong for the Golden State Warriors.

"That was probably the best game he ever played in his life," Bob Lanier said after watching his Detroit teammate tear up the Warriors in the National Basketball Association playoffs.

Golden State Coach Al Attles called it "an all-pro performance" after watching Rowe score 33 points, grab 10 rebounds, collect three assists and make three steals in Detroit's 123-111 victory over the Warriors Thursday night.

forged a 1-1 tie for Detroit in the best-of-seven Western Conference semifinals.

"It was just one of those games when everything went right," said Rowe. "It's hard to stop a team when that is happening."

The near-perfect game made up for Tuesday night's 127-103 loss to Golden State in the series opener.

"We were completely disorganized Tuesday night," said Detroit Coach Herb Brown. "We ran our offense tonight. That's all there is to it. You've got to out-execute people to win in this league."

In another playoff game, the Cleveland Cavaliers beat the Washington Bullets 92-91 and took a 3-2 lead in their Eastern Conference semifinals. In tonight's action, the Boston Celtics, holding a 1-0 lead, host the Buffalo Braves in an Eastern semifinal series.

In the other Western Conference semifinal, the Phoenix Suns, leading 3-1, meet the SuperSonics Sunday in Seattle.

Lanier, the Pistons' muscular center, totaled 31 points, hitting 10 of 15 shots from the floor, mostly on outside jump shots. Rowe made 12 of 16 field goal attempts.

Rick Barry was Golden State's top scorer with 27 points but had only five points—all foul shots—in the second half.

Cavaliers 92, Bullets 91
Jim Clemons laid in a rebound with one second left to give Cleveland its victory over Washington. The game, played before 21,312—the largest crowd ever to see an NBA playoff game and the biggest home crowd in Cleveland history—was close all the way. Neither team led by more than seven points at any time.

The Bullets led 91-90 with 37 seconds left. After a Cleveland turnover, Washington's Elvin Hayes missed two free throws with seven seconds left and the Cavaliers took time out. Center Jim Chones was fouled with five seconds left and Cleveland had the ball out of bounds again.

A shot by Bobby Smith, who had 15 points including 10 in the third period, bounced off the side of the rim before Clemons sank the rebound.

Dodgers On Winning Streak, Even Though It's Just One

By KEN RAPPOPORT
AP Sports Writer
The Los Angeles Dodgers are on a winning streak—one in a row.

That may not sound like much, but it is for the Dodgers, who have had their problems this year.

"We had a good spring training and everybody

worked hard but we haven't had any good pitching until the last two games," says Manager Walt Alston.

The Dodgers, off to their worst start in many years, have only won three of 11 games so far, including Thursday night's 7-2 decision over the Houston Astros.

"I don't expect to knock too many fences down but we are not hitting up to par," Alston said. "While we haven't played well enough to win many, we have only been bombed out in one game this season (an 8-3 loss to Houston)."

"We have had our opportunities but when you are going bad, you wind up losing your share."

Doug Rau, Thursday night's winning pitcher, saw the game as a turning point in Dodger fortunes.

"A lot of good things happened tonight," said Rau, who was one of them with six strong innings. "We had good fielding and (Joe) Ferguson's home run shows that his timing may be back."

In other National League action, the Montreal Expos defeated the Chicago Cubs 12-6 in a wrapup of a game suspended from Wednesday and then lost the regularly-scheduled contest, 5-4 in 11 innings. In the America League, the Kansas City Royals beat the Milwaukee Brewers 2-1.

Dusty Baker's bases-loaded single climaxed a three-run fifth inning for Los Angeles. Rau, 2-0, struck out six and allowed five hits before running into trouble in the seventh.

"I seemed to be losing a little velocity on my fastball late in the game," said Rau. "I thought I threw a couple of bad pitches."

Expos 12-4, Cubs 6-5
Tim Foli hit a home run in the eighth inning to complete a four-hit game as Montreal wrapped up its suspended contest with Chicago.

In the regularly-scheduled game, Jerry Morales doubled in the 11th inning and scored

Honest Pleasure Wins At Bluegrass Stakes

By MIKE CLARK
AP Sports Writer

LEXINGTON, Ky. (AP) — Such is the exalted status of Kentucky Derby favorite Honest Pleasure that his wire-towin win in the \$112,350 Blue Grass Stakes left fans and experts alike asking why the victory margin wasn't larger.

Sent off as a 1-18 favorite by the race-record crowd of 20,901, Honest Pleasure led by up to five lengths in the far turn before holding off a spirited charge by long-shot Certain Roman to post a 1½ length triumph Thursday.

While most jockies would have answered a challenge by whipping their mount, Braulio Baeza just urged Honest Pleasure with a hand ride over the final 3-16th mile.

Afterwards, Baeza and trainer LeRoy Jolley took pains to insure questioners that Honest Pleasure had not turned in a sour effort.

"He won," Baeza exclaimed. "What else could you want? I'm not worried about time."

Honest Pleasure won his fourth race in as many 1976 starts by touring Keeneland's 1½ mile circuit in 1:49 2-5. But his owner, Bert Firestone reminded skeptics that Honest Pleasure ran the last quarter in 12 seconds flat although he didn't taste a single crack of the whip.

"I think it was one of his best races," Firestone said.

Jolley said he would have liked his colt to have faced a stiffer test, one that would have forced Baeza to extend his mount.

"I would just as soon have

seen him hit him. He has to exert an effort to be fit enough to go the mile and a quarter," said Jolley, referring to the 1¼ mile Kentucky Derby on May 1.

"But he got a lot from it today—he was puffing when he got back," Jolley added. "There was no plan to go to the front," Baeza said. "If someone really had wanted the lead, I was ready to back off him."

Jolley said that "If another horse got in front of him, that was okay. As usual, nobody did."

Baeza said he had a bit of trouble rating Honest Pleasure in the early going and had to stand up on him in the backstretch.

"He had his mouth open when we got on the backstretch because I was trying to get him to drop his head. He finally did going to the turn and after that he was okay," said Baeza.

Larry Melancon, who was aboard 148-1 shot Certain Roman, said he felt Honest Pleasure had plenty left at the finish.

"For a while, I thought I was going to win it. I think he (Baeza) waited until the 3-16th pole to let his horse go. My horse finished strong but it looked like Honest Pleasure had an awful lot left," Melancon said.

With all his prep races behind him, Jolley looked ahead to Honest Pleasure's probable challengers in the Derby.

"His biggest challenge in the Derby will be Bold Forbes," said Jolley of the front-running speed merchant who claimed an impressive victory in the Wood Memorial last weekend.

Lakers 2-5 After Split Of Twinbill Thursday

Calloway County High School was involved in a pair of wild games Thursday afternoon.

In the first wild game, the Lakers banged out 17 hits to defeat host Lyon County 8-2. But in the second wild game, host Marshall County ripped 11 hits and won an abbreviated five-inning game 13-3 from the Lakers.

Tommy Chavis went the distance on the hill in the victory over Lyon County. The Laker righthander gave up just three hits while fanning four and giving up only one base on balls.

Everyone in the starting lineup for the Lakers had at least one hit with second baseman Nathan Knoth pacing the attack with a perfect four-for-four afternoon.

Knoth had three singles and

a double in the contest.

It was a game of two-out rallies for the Lakers. The first two-out rally came in the top of the first when Chavis singled, Gibson singled and Knoth singled for an RBI.

In the top of the second, boosting a 1-0 lead, the Lakers put two more runs on the board. With two out, Craig Rogers singled and Danny Rogers got a second life when the Lyon County right-fielder dropped a pop fly.

Fly Beane then ripped a double, sending home both Craig and Danny Rogers.

Calloway stretched the lead out to 7-0 by adding four more runs in the third. Kenneth McCuiston had an RBI single as did Lance Hooks while Danny Rogers had a two-run single.

Knoth's four hits led the Laker offensive punch while Beane, Chavis, Gibson, Hooks and Craig Rogers all had two base raps. Also hitting safely were Danny Rogers, Barry Joseph and Kenneth McCuiston.

In the nightcap at Benton, the Lakers took a 1-0 lead in the top of the first as Chavis reached on a two-out error and scored on a double by Gibson.

But in the home half of the opening frame, the Marshals touched starter Fly Beane for five big runs, picking up three hits and two errors to account for the tallies.

Trailing 11-1 in the top of the fifth and facing the 10-run rule

which would end the game, the Lakers stayed alive a little longer as Teddy Futrell and Kelly White both walked and scored on a two-run double by Dickie Nesbitt.

But in the home half of the fifth, the Marshals added two runs and the game was called because of the 10-run rule.

Steve Peck, who had only one hit in his last 20 times at bat prior to the game with the Lakers, belted two solo homeruns for the Marshals.

Gibson and Nesbitt each had a hit for the Lakers.

Calloway, now 2-5 on the season, will host Farmington at 4 p. m. today and will play at 7 p. m. tonight in Holland Stadium against Murray High.

Final Push Toward Derby 102 To Open With Stepping Stone

By BOB COOPER
AP Sports Writer

The final push toward the 102nd Kentucky Derby begins Saturday with the opening of the spring meeting at Churchill Downs and a rather disappointing Stepping Stone Purse.

Only four horses—two of them—derby nominees, and minor lights at that—are entered in the traditional Derby prep, forcing the third best exhibition in the race's history.

Mrs. Joe W. Brown's Go East Young Man, top weighted at 119 pounds, figures to be the favorite off his victory in the Louisiana Derby trial, with Jack Irvin's Amano second choice under 117 pounds.

Churchill Downs also will feature the \$30,000-added La Troienne Stakes for 3-year-old fillies, some of them with visions of the Kentucky Oaks, to be run next Friday, the day before the Derby.

The likely favorite will be Thomas F. Classen's Moreland Hills, carrying 112 pounds including jockey Al Rennie, with six challengers, going after the winner's purse.

While the Stepping Stone this year may have little bearing on the Derby picture, the Blue Grass Stakes at Keeneland on Thursday did. Honest Pleasure solidified his favorite's role and Proud Birdie was eliminated.

As a 2 1/2 length victor, Honest Pleasure showed again he can win without his rider using the whip. At the same time, Double Stakes winner Proud Birdie aggravated a leg injury and was declared out of the Derby.

Other Saturday features around the nation include: —The \$54,950 Los Angeles Handicap at Hollywood Park where Bill Shoemaker will be aboard top weighted Pay Tribute.

—The \$30,000-added United States Olympic at Gulfstream at a mile and a sixteenth on the turf with Togu, third in the Flamingo, and Controller Ike, second in the Christmas Handicap, the likely favorites.

—The \$75,000-added Top Flight Handicap at Aqueduct, where Katonka is top weighted at 122 pounds for the 1 1/2 mile event for fillies and mares.

—The \$30,000-added Riggs Handicap at Pimlico at a mile and a sixteenth over the turn with Old Mann, winner of the Riggs Prep last Saturday, seeking to repeat.

Honest Pleasure, Bert Firestone's Juvenile Champion of last season who has yet to be defeated this year, needed only a look at the whip—not the feel of it—to win the \$100,000-added Blue Grass Stakes.

Jockey Braulio Baeza took a tight hold on the Wat A Pleasure colt in the early

going, although he still out-classed a field of six others, and finally let loose with about 3-16 mile left in the nine-furlong race.

The colt's time for the distance was a mediocre 1:40 2-5, but Baeza said, "he won. What else could you want?"

"I'm not worried about time," the rider added. "He was full of himself, like always."

Certain Roman, an outsider, closed sharply on Honest Pleasure in the turn for home, but Baeza uncorked his whip and his mount, now 4-5 in the Caliente future book, took the easy victory.

"It may have looked like that horse was coming to me," Baeza said after the race, "but then everyone's entitled to his opinion."

Inca Roca finished third in the race with Proud Birdie, sore legs and all, fourth.

Unknown Reazor Takes Lead At New Orleans

By BOB GREEN
AP Golf Writer

NEW ORLEANS (AP) — Mike Reazor looked up with a puzzled expression on his face. "I don't know what's going on," he said, then offered a smile. "It's just starting to jell."

He paused a moment, obviously searching for words to explain the sudden turnaround in his golfing fortunes.

"You just can't realize what a small difference there is in shooting 65 and 75. Just a couple of good shots as opposed to a couple of bad shots; a few putts going in. That's the difference in being three or four over and seven under."

This time Reazor, a bright, personable man undismayed by his eight long years of struggle on the pro golf tour, turned in a seven-under score, a brilliant 65 that staked him to a two-stroke lead Thursday in the first round of the \$175,000 New Orleans Open.

"I've played pretty well the last few weeks," said Reazor, 34, most of whose previous fame came from his role as Arnold Palmer's caddy in the

1966 U.S. Open.

Reazor has yet to win in a tour career that began in 1969. He's never earned an exemption. He was 121st on the money-winning list last year. In his first 12 tries this season he survived the cut only once.

But in his last two starts, in events in which the major stars were not playing, he finished seventh and 15th. And then, on a bright, warm, almost windless spring day with some of the game's greatest stars in the field, he unleashed a near-perfect effort that put him well clear of such standouts as Jack Nicklaus, Billy Casper, Hubert Green and Tom Watson.

Casper, the defending champion, had second place alone until he bogeyed the final hole and dropped to two shots off the pace and a tie at 67 with Wally Armstrong and Monty Kaser, like Reazor career nonwinners.

Nicklaus, the heavy pre-tourney favorite, shot a 68 that he called "sort of mediocre" and was tied with 10 others three strokes back.

Green, a three-time winner this year and the runnerup in last week's Tournament of Champions; British Open champ Tom Watson and John Mahaffey, runnerup last week in Tallahassee, also were at 68. Others at that figure included David Graham, Lee Elder, Lyn Lott, Dick Lotz, Vic Regalado, Frank Conner and Bobby Wadkins.

Don January, the 46-year-old veteran who won the Tournament of Champions, was at 70. Ben Crenshaw, a two-time winner this year, had the flu and withdrew before the start of the round.

Laker Boys Win Dual Meet Against Ballard

The Calloway County boys, after a long layoff from action, returned to the track Thursday afternoon at Ballard and took a 71-65 win over their hosts.

In the field events, Kerry Wyatt's 38-1 earned a second in the shot put while Terry Clark had a 37-7 for third place. Clark came back to win the discus with a throw of 114-2.

David Williams was third in the long jump with an effort of 18-9 while in the triple jump, Tommy Futrell was third with 36-9.

The most impressive performance in the entire meet for the Lakers may well have been the first-place effort of Reggie Ballard in the high jump.

Ballard, jumping for the first time ever, won with a fine height of 5-10. Ballard missed by just one inch of tying the old school mark held by Jerry Duncan.

In the hurdling events, Gary Henson was second in the 120 highs with an 18.7 while Teddy Alexander was third with 19.8. In the 180 lows, Henson tied for first with 24.5.

Ballard scored a double by winning the 100-yard dash in 11.0. In the 220, Keith Wallace was third with 26.3 while in the

440, Troy Garland took second with a 62.0 and Larry Cunningham third in 64.0.

Calloway scored a sweep in the 880-yard run with Futrell winning in 2:21 while Randy McCallon was second in 2:24 and Ricky Cunningham third in 2:31.

It was the same order of finish in the mile with Futrell winning in 5:07, McCallon second in 5:13 and Cunningham third with a 5:34.

And in the two-mile run, again it was the same order with the times being meet.

unavailable. The Lakers won the 880-relay with a 1:47.8 with Adams, York Stunson, Garland and Williams all running legs.

The mile-relay team of Adams, York Stunson, Garland and Williams took first but the time was not available.

The Lakers will run at Mayfield Monday against the host Cardinals and Reidland.

On Tuesday, Calloway will be at home for a triangular meet.

Tigers And Lakers In Different Region

A three-team District Tournament is crazy to begin with so now that we finally know how one works, everything's okay.

Nope. For the District Baseball Tournament, drawing the bye is bad.

The team with the bye will receive an automatic bid into the Regional Tournament. The other two teams will play and the loser will be eliminated.

Murray High, Calloway and Marshall County have been moved into a new region for baseball. The three schools are now in the Second Region.

Among some of the other teams in the Region are Fort Campbell, Hopkinsville, Christian County, Lyon County, Caldwell County, Livingston Central and Crittenden County.

Marshall County and Murray High have both got off to good starts. Both clubs have played 10 games, winning seven of those contests.

But, it appears the District Tournament will be at Calloway County High so the Lakers, who would normally be underdogs in the tourney, could have a big advantage

by playing on their own field.

Calloway is not overly-blessed with pitching talent. And that's what it takes to win in tournaments.

On the other hand, Murray High is very blessed with a talented four-man rotation that could compare with anyone in western Kentucky. The Tigers' rotation includes Tony Thurmond, Alan Gibbs, Joe Graves and Bob Thurman.

In 10 games thus far, the Tiger pitching staff has a combined earned run average of 1.60. As a team, the Tigers are hitting at a .269 clip.

Senior first baseman Bo McDougal pulled a hamstring early in the season and has missed six games. Lindy Suiter, who would be one of the top pitchers, had to undergo knee surgery and is out for the season.

Kevin Shahan, who was one of the hardest hitters on the club, was injured in an auto crash last month and is still in the hospital.

The Tigers will play at home at 7 p. m. tonight against Calloway, which hosts Farmington at 4 p. m.

The Tigers have added a twinbill to the schedule and will go against Reidland Saturday at 11 a. m. in Brooks Stadium at Paducah.

It's nice to have a 6-7 leaper like John Randall in the fold for the Murray State basketball program. It's also nice to have a couple of guards like Lenny Barber and Duncan Hill signed to national letters.

But we aren't saying anything else. We haven't seen them play and don't really know how good they are. So we'll get our chance to judge next December.

Regardless of how many guards and super 6-7 leapers are signed, Murray State must have a center. It's been proven by Indiana that muscle can whip leapers.

Tiger Girls Open Track Season By Scoring Win

Track season for the Murray High girls' team opened Thursday with the Tigers winning a triangular meet at Mayfield.

The Tigers had 55 points to win first while Mayfield was a close second with 51 and Heath a close third with 49.

No times or distances were available for the events.

Murray High got two wins in field events as Debbie Payne won both the shot put and the discus competition. In the high jump, Stacy Overbey was second with Brooks Dickson taking third.

The only other place in the field events was a fourth by Jaina Washer in the long jump.

Betsy Gore took a pair of seconds as she was runnerup in both the 110-hurdles and the 180-hurdles while in the same events, Overbey was third.

Brenda Adams was second in the 100-yard dash with Althea Parham taking fourth. They repeated the same order in the 220-yard dash.

Barbara Campbell won the 440-yard dash while Krista Russell took fourth and in the 880, Delaine Houghul was

fourth. Carol Montgomery earned a third in the mile while Gretta Timmerman was fourth.

The Tigers' 880-relay team of Parham, Jenny Francis, Jennifer Darnell and Brenda Adams took second while the 880-medley team of Darnell, Washer, Francis and Campbell was first.

The final event on the day was the mile-relay where the Tigers foursome of Mary Ann Kurz, Francis, Russell and Campbell finished second.

SEAEVER FOR BENCH?

LEVITTOWN, N. Y. (AP) — "Would you trade Tom Seaver (Met pitcher) for Johnny Bench (Cincinnati slugger)?" That question was asked Met veteran Ed Kranepool at the 16th Levittown Sports Night here. And Kranepool gave a surprising answer.

"Tom Seaver wins 20 games just about every year for the Mets and pitching is 75 per cent of the game," replied Kranepool. "However, Johnny Bench plays about every day and I have to believe his bat would win 20 games for the Mets. I'd make such a deal if I were managing."

Laker Golfers Even Record With Easy Win

By Anthony Fike

The Calloway County Golf team evened its season record at 3-3 yesterday by defeating Fulton City at the Oaks Country Club. The Lakers did not have an outstanding day but still managed to claim a solid 14-stroke win with a final score of 166-180.

The best four of six starters scores were used in the final tally for each team.

Tommy Fike and Kevin D'Angelo were low men for the day as they both carded 41's on the 3195-yard front side. Bobby and Anthony Fike were close behind as they fired 42's. Greg Story shot 45 while Joe Janacek finished with a 47. Dan Homra led Fulton with a 42.

Coach Paschall's Lakers will be looking to avenge an earlier loss to defending regional champions, Murray High, when the teams meet at the Lakers' home course on Monday.

Tiger Golfers Get Revenge On St. Mary

By David Frank

The Murray High golfers avenged their earlier loss to St. Mary Wednesday afternoon at the Murray Country Club.

The match was at a dead tie after counting up the best four out of five scores for each team, 167-167. The visiting team chose to take it to the fifth man's score for each team to decide who would be the winner. Murray's fifth score was lower than St. Mary's so Murray became the victor.

Lynn Sullivan turned a 41 and Gary Sullivan, Howard Boone, and Steve Hussung had 42's to complete the top four for Murray. David Frank ended up with the tie breaking score as he took the fifth position with a 43.

Paducah St. Mary's top four were Russ Cochran 37, Kenzie Hunt 42, Steve Dannenmueller 43, and Bill Woods 45. Mike Davis became the Vikings fifth man with a 51.

Coach Holland and his Tiger golfers now stand at 7-1 on the season and will host Lone Oak today at the Murray Country Club.

points Thursday night. The triumph forces the Colonels into a must win situation Sunday at Louisville in Game No. 6 of the best of seven semifinal series.

A seventh game, if necessary, would be played here Wednesday night.

"This is the first time in the series that our bench has really sustained something for us," said winning Coach Larry Brown.

Denver's reserves played a key role in a third-quarter flurry that saw the Nuggets hit 73 per cent from the floor, compared to Kentucky's 39 per cent, and outscored Kentucky 39-23.

The Nuggets, getting several breakaway baskets, hit their last nine shots in the quarter and stretched a two-point lead into a 12-point advantage.

Gerard scored six straight points midway through the final period, staking the Nuggets to their biggest lead of the game at 112-90. The Colonels got no closer than the final margin after that.

"Denver just blew us out in the third quarter," admitted Kentucky Coach Hubie Brown. "We let the tempo of the game get away from us."

The Colonels, dropping their second game in as many nights, had to do without starting guard Bird Averitt for much of the contest. Averitt, bothered by an aggravated tonsillitis condition and ac-

companying high fever and nausea, played only 26 minutes and scored eight points. He had been averaging 23.5 points in the series.

Another Kentucky guard, Kevin Joyce, suffered ligament damage in his left thumb, and his status for the remainder of the playoffs was uncertain.

Despite the problems, Hubie Brown remained confident of his team's chances.

"There's not that much difference between these two teams," he said, noting that two of Denver's triumphs have come by margins of two and three points. "We're anxiously looking forward to Sunday, and we feel we'll be back here Wednesday night."

The Colonels showed signs of taking charge in the opening period. Behind the shooting of forward Maurice Lucas, who had 12 points in the quarter, Kentucky took a 13-point lead. But Denver quickly rebounded, scoring 15 of the game's next 17 points to pull within a tie early in the second quarter.

Artis Gilmore had 26 points and 12 rebounds for the Colonels. Lucas and Wilbert Jones chipped in with 21 and 19 points, respectively.

Thompson, hitting 13 of 20 shots from the floor, had his most productive playoff game. Denver's Ralph Simpson added 19 points, 11 of them in the explosive third period.

Wallace Trying Not To Be Identified With One Issue

By GEORGE W. HACKETT
Associated Press Writer
LOUISVILLE, Ky. (AP)—
Gov. George Wallace doesn't
want to be identified as a
"one issue candidate" in the
race for the Democratic
presidential nomination.

"School busing isn't the
only thing," he declared
Thursday. "I'm concerned
about jobs, the economy, and
national defense."

The Alabama governor
touched upon these points
during an airport news con-
ference but many questions
focused on his feelings about
the transportation of pupils
outside their neighborhoods.

"I'm for freedom of
choice," Wallace said. "Let
the American people choose
where they want to send their
children. Don't make them
go."

He also criticized those who
have wondered about his
health and where he was
strong enough to continue

campaigning.
"I don't have a health
problem," the governor said.
"I was just shot. I have an
injury. I'm healthier than
some of those running today."

Wallace contended this
issue cost him votes in the
Florida primary because of a
poll run by the National
Broadcasting Company and
the New York Times.

He said the poll showed that
"two out of five people wanted
to vote for me on that day but
thought my health was not up
to par."

Wallace said if he had
received those votes he would
have captured Florida by a
big vote than in 1972. He
went on to predict that "this
issue will diminish between
now and some of the
primaries."

The governor's physician
said recently that Wallace is
"fully capable of serving as
president."

Wallace also told newsmen
that campaign contributions

have picked up since the
Florida election, and that he
has no intention of with-
drawing as a contender.

"I have 104 delegates and
am running second only to
Jimmy Carter in the popular
vote," he pointed out.

Wallace said he expects to
win Kentucky's first
presidential primary election
on May 25th even though Gov.
Julian Carroll has endorsed
Carter.

"I realize that most of the
powers that be in the
Democratic Party don't like
George Wallace except in
times when they think I might
help them here and there," the
governor continued. "I've
never gotten my support
mainly from the hierarchy of
the party in any state."

Wallace said he would go to
the Democratic National
Convention this summer and
"use my candidacy and my
delegates in the interest of the
great mass of the middle class
— the farm people, small
businessmen and
businesswomen, the working
people."

He contended it is these
groups that are bearing the
brunt of increasing crime.

Along that line, Wallace said
if the U.S. Supreme Court
refuses to set aside the ban on
the death penalty, he will look
to the Democratic Party for
help.

"I will ask the Democratic
Party to send the states a
proposed Constitutional
amendment bringing back the
death penalty. This is the one

way to restore law and order,"
Wallace said.

The governor also urged
busing opponents to avoid
violence and make their views
known at the ballot box.

"Violence will never solve
our problems of government
interference, it will eventually
come from the mass of voting
citizens in this country," he
asserted.

Wallace also said, as he has
in the past, that he favors a
constitutional amendment to
prohibit forced busing.

The governor charged that
some members of the news
media in Kentucky attempt to
make anti-busing people
appear racist.

"I'll tell you who the racists
are," Wallace said. "It's these
pointed-head editors who don't

have to do any of it them-
selves. They go to their ex-
clusive country clubs; they
don't have to bus, they've got
private schools."

Wallace said everyone
speaks out against busing.
"The Congress is against it.
The President is against it and
87 per cent of the people are
against it and, yet, we have
it."

As a result, "the average
man is beginning to wonder
why we have to have
something that everybody is
against. Somebody must be
talking one way and doing
another," Wallace said.

Before leaving, Wallace
said he would be making
another trip to Kentucky
before the primary but he set
no date.

Winterizing Will Help Reduce Electric Bills

KNOXVILLE, Tenn. (AP)—
"Winterizing houses won't
solve the whole problem, but
we feel sure it will help," said
Tennessee Valley Authority
chairman Aubrey Wagner in
announcing a home insulation
research and demonstration
program.

Wagner said the object of
the new effort is to show low
income families how they can
reduce their winter electricity
bills.

"We received lots of
protests from many people
about their electric bills last
winter," Wagner told a TVA
board meeting Thursday.

He said the program will
involve assistance to as many
as 6,000 poverty level
homeowners with electric
heat between now and July,
1977.

In the first phase of the
program, Wagner said the
houses of 80 selected low-
income families whose
electric bills were ex-
ceptionally high last winter
will be winterized.

The houses will be chosen
with the aid of local power
distributors and community
agencies. TVA will use local
contractors to provide
insulation, caulking of doors
and windows, weather-
stripping or other heat con-
servation measures.

Twenty-five of the houses

will be in the Chattanooga
area, 25 in Nashville, 15 in the
Tri-Cities area of Upper East
Tennessee, five in Jackson,
Tenn., five in Tupelo, Miss.,
and five in Muscle Shoals, Ala.

Wagner said the first phase
of the program would cost
about \$108,000. The second
step, involving up to 6,000
houses, will cost about \$1
million, he added.

Board Member William L.
Jenkins compared the
insulation project with TVA's
past work on test demon-
stration farms.

"I grew up in a farming
community and I know the
value of TVA's work in the
field of fertilizers and test
demonstration farms,"
Jenkins said.

The board also approved an
agreement with the Tennessee
Board of Education and seven
Middle Tennessee school
districts for softening the
impact of an influx of students
in the area of the proposed
Hartsville Nuclear Power
Plant.

TVA will put up \$1.6 million
for school buses, portable
classrooms and other
equipment to be used by
Macon, Sumner, Smith,
Trousdale and Wilson counties
and the Lebanon and
Watertown school systems.

The board approved purchase
awards totaling about
\$36 million, one of the largest
contracts was \$5.9 million to
Mississippi Valley Structural
Steel Co., Chattanooga, for
structural steel framing for
the turbine building of the
Bellefonte nuclear facility.

Wagner said TVA will
consult with Environmental
Protection Agency officials on
how the authority can best
comply with clean air act
requirements at its steam
plants.

Record Review

by J. D. Lancaster

Frampton's Latest A Tragic Failure

Peter Frampton's latest album, "Frampton Comes Alive!" is far from a big success according to my standards. All the reviews I have done thus far have been favorable toward the artist and the album. However, "Frampton Comes Alive!" is perhaps the biggest flop so far even despite the successes on the charts.

It is true that Frampton has had experience as solo artist and second guitarist for seven

years with Humble Pie. However, I feel that the 25-year-old British rocker does not cut the mustard, especially in the vocal field. He is pretty good on the rhythm guitar but his voice is much to be desired.

"Frampton Comes Alive!" is a two-record album taken from portions of his concerts around the nation. There are a few decent cuts such as the hit single "Show Me the Way," "Lines On My Face" and "Do

You Feel Like We Do." Here the Frampton voice is in harmony with the rest of his backup guitarist and drummer and his guitar is explosive in sound.

Most of the cuts on the album succumb to too much background noise from the audience and at times you would feel that Frampton can't carry a tune in a bucket. Also, there is a great deal of stage echo which on some cuts, it is helpful. However, many of the cuts suffer because of the echo.

The Worst-Of-The Best
 Some of you may wonder who I think are the best and the worst of today's rock singers and groups. By far the worst of the groups and singers are Peter Frampton, Kiss and Queen.

There are many groups and singers which I consider as tops. Here are just a few that I believe rank tops: The Eagles, Chicago, The Carpenters, Spinners, Electric Light Orchestra, America, Led Zeppelin, Carole King, Melissa Manchester and Silver Convention. Let's hear your comments on who is top and who is worst.

New Releases
 There are several new releases this week. They are: "Get Closer" by Seals and Crofts, "Harmony" by Don Williams, "Sunday Morning

With Charley Pride" by Charley Pride (of course), "Chocolate Mountain" by Wilton Pickett, "Live" by Willie Nelson and "This Mother's Daughter" by Nancy Wilson.

ORCHESTRA RETURNS
 NEW YORK (AP) — After an absence of 10 years, the Vienna Philharmonic Orchestra returns to the United States to play nine concerts.

Three performances will be given in New York City, starting April 1. The others include two in Washington, one in Chicago, two at Iowa State University, and one in Hartford, Conn.

THEATER SUBSIDIES
 VIENNA, Austria (AP) — The city of Vienna will contribute nearly \$6 million to support its theaters in 1976.

Trumpet king Maynard Ferguson and his 13-piece orchestra lead off KET's 13-week MARK OF JAZZ series, beginning Thursday night, April 29 at 8 (ET), 7 (CT).

Recognition Of Alumni Scholarship Winners Set

Winners of 75 Murray State University Alumni Association scholarships, the largest number in the history of the program will be recognized Saturday, April 24, at the annual alumni banquet, to be held at 6:30 p.m. in the ballroom of the Waterfield Student Union Building.

Totaling \$36,990, the scholarships were awarded predominantly to incoming freshmen for the 1976-77 school year.

Funded from contributions by Murray State alumni and friends, the scholarships make it possible for many students to enroll in college who might otherwise be financially unable to attend.

The scholarships awarded include several perpetual memorial scholarships, as well as general alumni scholarships, which are primarily funded through the Century Club, an

organization of persons and businesses contributing \$100 or more.

Other activities scheduled for the Saturday event include tributes to the Class of 1926, the first Murray State graduating class, which is celebrating its 50th anniversary, and the Class of 1951, holding its 25th reunion.

Additionally, this year's winners of the distinguished professor and distinguished alumni awards will be announced. Persons completing their 25th year of service with the university will also be honored, and a special tribute will be paid to Mrs. Laurie Wells Lovett of Owensboro, a member of the first board of regents.

A reunion luncheon is also scheduled for Saturday at 12:30 p.m. in Winslow Cafeteria for the classes of 1926 and 1951. The class reunions will be held in Ordway Hall immediately following the luncheon.

FRANKFORT, Ky. (AP) — Secretary of State Drexell Davis says he hopes to be able to send certifications of Kentucky's May 25 presidential primary ballot to all 120 county clerks in the state today.

Davis Thursday ordered the primary ballots printed. The forms list six Democrats and three Republicans.

Democrats whose names will appear on the ballot are: former Georgia governor Jimmy Carter, Washington Senator Henry Jackson, anti abortion activist Ellen McCormack, Arizona Congressman Morris Udall, Alabama Governor George Wallace and "Fifti" Rockefeller of Covington, the last by petition.

Joining President Ford and former California governor Ronald Reagan on the Republican ballot will be Tommy Klein of Louisville, who got on the ballot by petition.

Soliah Reveals Some Details Of Patty's Mysterious Missing Year

SACRAMENTO, Calif. (AP) — "I lived with her. I slept with her. We had a close relationship," Steven Soliah testified about Patricia Hearst. "We felt very close to each other."

But the young house painter, who became the fugitive heiress' underground lover, told a jury he did not join in

the terrorist bank robbery at suburban Carmichael for which he is standing trial and never questioned Miss Hearst about it.

"I had learned not to ask questions," Soliah said at one point. "I didn't feel I needed to know."

He was curious when Miss Hearst stored cash in the refrigerator at one of their hideouts, he said. But he didn't press her on where she got the money.

"I learned from asking questions of Bill and Emily Harris and Patty before that they seemed to get uptight. So I didn't ask anymore," Soliah said.

The blond-haired Soliah, neatly attired in a pale blue suit and vest, portrayed himself Wednesday as a soft-hearted man touched by Miss Hearst's plight who was unwittingly drawn into the radical intrigue of the Symbionese Liberation Army.

His fingerprints were found on evidence seized in SLA hideouts, and Soliah told his love story to explain how he was connected to the SLA and Miss Hearst.

"I felt sorry for her at that time," he said. "I felt close to her. I wanted to help her. She seemed kind of confused."

In testimony which lasted a full day, Soliah gave the first public details of Miss Hearst's mysterious "missing year" in the underground which she refused to discuss at her own San Francisco bank robbery trial.

He placed her in Sacramento for most of that year — including the time of the April 21, 1975, Carmichael bank robbery — and said she was determined not to be captured.

Gray Hurt will direct the drama which examines the witnesses to the crucifixion and their urgent messages to the modern Christian, according to Bro. Lawson Williamson, pastor of the church.

Bro. Williamson will speak at the eleven a.m. services on Sunday with the Adult Choir to sing "Jesus Is Still The Answer." Tommy Scott will direct the choir with Mrs. James Neale at the organ.

Lenon Hall, serving as deacon of the week, will read the scripture and lead in prayer.

Sunday school will be at ten
